Sperry's "Dine by 6 Prix Fixe" Menu Promotion

Sperry's will be offering its wildly successful Restaurant Week 3-course prix fixe menu, beginning on Sunday, January 30th. "We were so pleased with the response from Restaurant Week in December that we have decided to offer this menu through the spring. The prix fixe menu is wonderful because it has some of Sperry's most popular dishes and is so reasonably priced that it's great for everyone," says Sperry's Executive Chef Dale Miller.

To take advantage of this offer guests must be seated by 6:00pm. This 3-course menu will be offered every Sunday through Thursday for \$20.11. Sperry's will be opening early, at 4:30pm, for this promotion. Sperry's regular menu will also be available.
