Sperry's 'End of Track Season Party' and Dinner Promotion for Locals

Sperry's will be celebrating the end of the 2010 racing season on Monday, September 6th, from 8:00pm with their annual 'End of Track Season Party'. Complimentary finger foods and drink specials will be featured throughout the evening. The full dinner menu will also be available. Enjoy live music with the George Boone Blues Band in the garden patio.

Beginning Tuesday, September 7th through Thursday, September 9th Sperry's is offering 10% off all dinner checks with the mention of this promotion. "With our renovations complete and Chef Dale Miller in place, we want to invite locals to come in and experience what we have done at Sperry's," says co-owner, Christel MacLean. "Our original plan was to open with limited renovations in July and close for a couple of weeks in January to finish; but with the help of many local contractors we were able to fully complete all of the planned upgrades before our July opening."

Sperry's is open 7 days a week beginning at 5:00pm. For reservations or information please call 518.584.9618. For menus and photos visit www.sperrysrestaurant.com. Sperry's is located at 30 1/2 Caroline Street.
